IT'S  
**NOT  
THEIRS**  
TO CLOSE

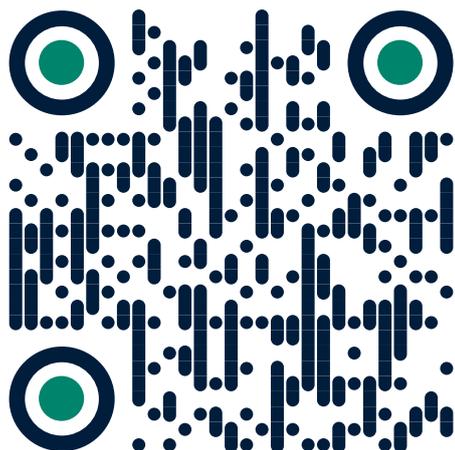

During the final days of Ramadan, Muslims have been blocked from accessing one of Islam's holiest sanctuaries.

The Israeli occupation expects the world to stay silent while worshippers are turned away.

Write to your MP and local councillors. Call for immediate pressure to end the restrictions and restore access for worshippers.

Ask your MP to add their signature to an Early Day Motion (EDM2955) condemning the closure of al-Aqsa.
